Elegant, luxurious charm blends with natural, rustic beauty. This extraordinary chandelier is inspired by antique staves, traditionally bound by metal hoops used to construct beer and whisky barrels, as well as wine casks. Stunning Hammered Wrought Iron bands and curved metal arms with bobeches embrace ten complementary faux candlelights. This lovely chandelier is ideal for creating beautiful ambient lighting and a sense of opulence in residential and hospitality spaces. The overall height ranges from 59 to 228 inches, as the chain can be adjusted on location to meet your precise lighting requirements. The Barrel Stave Metallo 10 Light Chandelier is included in our American-made, American-designed, handcrafted Contemporary Rustic Collection and manufactured in Yorkville, New York. The fixture is UL and cUL listed for dry and damp locations.
