The Cream Textrene shade is complemented with hardware featured in a Nickel powder coat finish and enhanced with a Statuario Idalight bottom diffuser. The overall height ranges from 33 to 128 inches as the stem length can be easily adjusted in the field to accommodate your specific lighting application needs. Custom crafted in our 180,000 square foot manufacturing facility in Yorkville, NY. UL and cUL listed for dry and damp locations however we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade.
