Designed with a curved profile and a clean architectural look, this appealing and versatile ceiling fixture defines a sophisticated aesthetic. This pendant reveals a Beige Textrene shade enhanced with a Whitestone Idalight bottom diffuser and hardware featured in an Antique Silver finish. The ceiling luminaire can illuminate a dining room or corridors in homes, lounges, and restaurants. The Cilindro Textrene Flush Mount is part of our American-made, American-designed, handcrafted Modern Lighting Collection, manufactured in Yorkville, New York. The fixture is UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience excessive moisture due to the fabric shade.
