The Natural Textrene shade is enhanced with a Statuario Idalight bottom diffuser and White powder coated hardware. The overall height of this pendant ranges from 23 to 112 inches as the aircraft cable length can be easily adjusted in the field to accommodate your specific lighting application needs. Handcrafted in our 180,000 square foot manufacturing facility in Upstate New York. Custom options available. UL and cUL listed for dry and damp locations, however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shades.
