American hand craftsmanship creates the beauty of fine lighting with this luxurious pendant. The Cilindro Ventura features a hand-finished Timeless Bronze ring with Cortez Gold finished accents. The hub embraces a stunning Eggshell Textrene shade enhanced with a Statuario Idalight top diffuser. The Cilindro Ventura Pendant is included in our American-made, American-designed, handcrafted Transitional Lighting Collection. Manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade.
