This architecturally styled, custom-designed lighting system is created with the latest technology and partisanship. This modern system offers a sophisticated, dramatic design and mounts to columns in commercial, hospitality, and residential interiors, including lobbies, concourses, galleries, and offices. Innovation and an eclectic aesthetic come to light with this unique array of decorative lighting elements, highlighted with a stunning Gold Matte Over Nickel frame and hardware. Each element is illuminated with Integral LEDs for energy efficiency and long life. The Column-Surround Light System is included in our American-designed, handcrafted Architectural Lighting Collection. UL and cUL listed for dry and damp locations. Custom Made.
