Like the feathers of a free-flying bird, the Dreamcatcher is a tribute to the hope in our souls to sing joyfully in good times and bad, rain or shine. Ideal for illuminating an entryway, reception area, and other residential, hospitality and commercial spaces, the fixture is enhanced with Vintage Brass and Vintage Copper. Overall height ranges from 110 to 180 inches as the decorative elements cascade in various heights under the wash of 10 downlights above. The Dreamcatcher Pendant is featured in our American-made, American-designed, handcrafted Nature Inspired Collection. Manufactured in Yorkville, New York. UL & cUL listed for dry and damp locations.
