Designed like a magnificent spinning gimbal. Inspired by celestial spheres above, this open-style, Hand-Forged Iron framework of Vintage Copper is finished with circular bands that surround eight complementary faux candlelights, providing ambient illumination. The overall height ranges from 63 to 158 inches, and the chain length can be easily adjusted on location to accommodate your specific lighting application needs. The Gimbal Grinado Chandelier is part of our American-made, American-designed, handcrafted Modern Lighting Collection, manufactured in Yorkville, New York. UL and cUL are listed for use in both dry and damp locations.
