Luxurious elegance comes to light. This stunning chandelier features a Smoked Glass profile adorned with 18 faux candlelights crowned with White Fabric shades. The fixture projects beautiful ambient illumination and is complemented with a Polished Nickel finish. Overall height ranges from 68 to 98 inches as chain length can be easily adjusted in the field. The Murano Almaden Chandelier is featured in our American designed, handmade Crystal Chandelier Collection. UL & cUL listed for dry and damp locations however we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shades. This chandelier is featured in the Southland Casino in West Memphis Arkansas.
