Creating a striking transitional lighting design with a linear profile, Parker is custom crafted with 12 Amber Quartz Idalight Cylindres embraced by a metal frame that is hand finished in a Chestnut coloration. The fixture is ideal for illuminating dining areas, conference tables, lobbies and other residential and commercial spaces, and is handcrafted by highly skilled artisans in the USA in our manufacturing facility in Yorkville, New York. Custom colors, styles and sizes are available. Dimmable energy efficient lamping options such as LED are offered. This 48-inch long chandelier is UL and cUL listed for damp and dry locations.
