Rugged rustic charm blends with gothic beauty. The chandelier is inspired by antique staves traditionally bound by metal hoops in the construction of beer/whisky barrels and wine casks. Coffee Bean finished curved arms of solid steel support bobeches accented with eight Ivory faux candlelights, which line up like soldiers at attention in abeyance of the barrel to which they serve. Ideal for lobbies, foyers, banquet rooms, and reception areas. Custom crafted by skilled artisans in our 180,000-square-foot manufacturing facility in Yorkville, New York, this fixture is UL and cUL listed for damp and dry locations and featured in a private residence in Amherst, New Hampshire.
