Handsome styling meets engineering innovation. This fan-tastic, energy-efficient decorating idea for a home, retail or hospitality location features a custom crafted Chandel-Air design with an Oil Rubbed Bronze finished mesh frame and hardware. The modern marvel combines a ceiling fan within a handsome lighting fixture that features LED lamps provided by customer- 6 Medium base MR16 50W LED uplights for ambient illumination and 6 Medium base PAR30 50W LED downlights for functional task lighting. Handcrafted at the foothills of the spectacular Adirondack Mountains, this energy-saving 48-inch wide Chandel-Air creates a wind chill to keep the space cool in the summer, and is reversed in the winter to push down hot air and maintain warmth.
