Graceful and elegant like a classic dance, this chandelier features a candelabra transformed into a chandelier with an intricately curved frame. This is an ideal centerpiece for a large space, lobby or ballroom, with two tiers embracing 12 gently curved arms, four on the top level and eight on the lower tier. Attached to the arms are bobeches adorned with faux candlelights that provide brilliant illumination. The hardware, which includes a ringlet accent for that added decorative touch, is finished in Timeless Bronze. Custom crafted by highly skilled artisans in our 180,000 square foot manufacturing facility in Yorkville, New York. Available in custom designs, colors and finishes. UL and cUL listed for damp and dry locations.
