The White Textrene shade is complemented with a Statuario Idalight bottom diffuser and Sparkle Silver powder coated hardware. The overall height of this pendant ranges from 36 to 72 inches as the aircraft cable length can be easily adjusted in the field to accommodate your specific lighting application needs. Handcrafted in our 180,000 square foot manufacturing facility in the USA. Custom options available. UL and cUL listed for dry and damp locations however we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade.
