Designed as a stunning illuminating accent for any room or corridor, this refined wall sconce features a Natural Linen Textrene shade perched on an Ivory faux candlelight and bobèche with telescopic-styled accents. This fixture offers decorative hardware in a Textured Black finish that contrasts beautifully with the neutral-colored shade. The sophisticated wall sconce can be placed on walls in fine homes from Springfield, Massachusetts, to Fort Lauderdale, Florida, to Boise, Idaho. The Amada Wall Sconce is included in our American-made, American-designed, handcrafted Modern Collection and manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the Textrene shade.
