Exquisite styling and luxurious charm are reflected in the Antonia Wall Sconce, which is adorned with a faux candlelight crowned with a White Linen shade and perched on a floral bobèche with a scrolled arm. The decorative accents and hand-forged Iron Hardware are featured in an Autumn Leaf finish and enhanced with Crystal droplet accents. The fixture features high-quality materials and hand-detailed American craftsmanship, perfected through years of time-honored artistry passed down from generations of highly skilled artisans. Custom sizes, styles, colors, and dimmable energy-efficient lamping options, such as LED, are available. It is UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade.
