An elegant wall sconce design emerges with sophistication and distinction. A single Ivory faux candle light is perched on a bobèche, which is embraced by an exquisite scrolled arm finished in Dark Smoke. The wall fixture is complemented by Acanthus Leaf accents and a crystal pendalog. The wall sconce is ideal for illuminating corridors and dining spaces in residential and hospitality spaces. The Ingrid Wall Sconce is included in our American-made, American-designed, handmade Traditional Lighting Collection and is manufactured in Yorkville, New York. It is UL and cUL listed for dry and damp locations.
