Designed as a stunning illuminating accent for any room or corridor... This sophisticated wall sconce features a White Textrene shade perched on an Ivory faux candlelight and bobèche with an elegant curved arm and round wallplate in a Blackwash finish. The wall fixture can be placed on walls in dining rooms and hallways in fine homes, restaurants, and resorts. The Squire Wall Sconce is included in our American-made, American-designed, handcrafted Traditional Collection and manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade.
