Rugged rustic charm greeted with Gothic character. This lighting design was inspired by Antique Wooden staves traditionally bound by wooden hoops in the construction of beer/whiskey barrels and wine casks. Costello Black finished solid-stout curved arms support 8 bobeches accented with Ivory faux candles on the perimeter. The overall height of this chandelier ranges from 45 to 91 inches as the chain length can be easily adjusted in the field to accommodate your specific lighting application needs. Handcrafted by highly skilled artisans in our 180,000 square foot manufacturing facility in Yorkville, New York. Candlelight colors, metal finishes and fixture sizes can be customized to your needs. UL and cUL listed for dry and damp locations.
