**Family::** [Winter Solstice](#)

**Metal Finish::** [Textured Black](#)

Like a wise old tree asleep in the cold winter woods, the Winter Solstice chandelier is an abstract expression of light that is perfectly poetic. Intricacies abound with long Black finished branches hibernating until the light from creamy colored Natural Linen shades on bobeches provides a warm embrace. Custom crafted by artisans at the foothills of New York's Adirondacks, the fixture is a unique Nature-inspired lighting design.
