This uniquely designed ceiling fixture features eight Orb-styled lamps, each surrounded by a circular Stainless Steel frame. All arms are connected to a Flat Black finished hub. The fixture is perfect as a centerpiece for illuminating dining spaces and entryways in residential and hospitality environments. The Equiangularator 8 Light Semi-Flush Mount is included in our American-made, American-designed, handcrafted Modern Lighting Collection and is manufactured in Yorkville, New York. The fixture is UL and cUL listed for dry and damp locations. This fixture was designed by David Singer of Arc Light Design in New York for a private residence in Texas.
