Offering luxurious charm and elegance, Josephine features a sophisticated chandelier design with hand-forged scrolled arms and finial and Acanthus leaf accents in a stunning Golden Verde finish. The exquisite chandelier features eight Cream Textrene Shades that embrace Ivory faux candlelights perched on decorative bobeches for beautiful ambient illumination and accented with Crystal Pendalogues. The chandelier beautifully illuminates dining areas and entryways in fine homes and restaurants. The overall height of this pendant ranges from 68 to 127 inches, as the chain length can be easily adjusted on location to accommodate your specific lighting application needs. The Josephine Chandelier is included in our American-made, American-designed, handcrafted Traditional Lighting Collection and manufactured in Yorkville, NY. The fixture is UL and cUL listed for dry and damp locations, but due to the fabric shades, we don't recommend installing it in a space that experiences a lot of moisture.
