A sleek architectural structure in light. The Nelson oblong pendant is designed with a Clear Seeded Glass shade, which surrounds a smaller White Glass oblong diffuser. The fixture is complemented by an elaborately structured frame featured in a Timeless Bronze. The oblong fixture is ideal for illuminating billiard tables, kitchen islands, counters, bars, reception areas, and other spaces from Boston, Massachusetts, to Houston, Texas. The Nelson Oblong Pendant is included in our American-made, American-designed Modern Architectural Collection and manufactured in Yorkville, NY. It is UL and cUL listed for dry and damp locations.
