Inspired by sizeable old-world chandeliers in castles and estates... The large Loxley chandelier is custom-crafted with 24 Frosted Clear Glass Cylindre elements featured on two decorative rings hand-finished in Black Satin Wrought Iron. This luxurious lighting fixture is ideal for illuminating ballrooms, dining tables, lobbies, entryways, and other residential, hospitality, and commercial spaces from Traverse City, Michigan, to Lake Tahoe, Nevada, to Lake Geneva, Wisconsin. The overall height ranges from 71 to 193 inches, as the chain can be easily adjusted in the field. The Loxley Chandelier is featured in our American-made, American-designed, handcrafted Transitional Lighting Collection. Manufactured in Yorkville, New York. UL & cUL listed for dry and damp locations.
