An elaborate chandelier designed with a dramatic look, this lighting fixture is inspired by the Sycamore tree--a symbol of protection, eternity, and strength representing Egyptian goddesses to the tallest trees in New York City. Organically fashioned metal branches finished in Antique Copper appear to grow in various directions like those from natural trees. Twenty-two metal arms embrace Ivory faux candlelights perched on bobeches for beautiful ambient illumination in fine homes and hospitality spaces, from Robbinsville, North Carolina, to Green Bay, Wisconsin. The Sycamore 22 Light Chandelier is featured in our American-made, American-designed, handcrafted Nature Inspired Lighting Collection. This fixture is manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations.
