Inspired by the engineering genius of the great natural aviators of our world, this elaborate structure looks like a Bird's Nest with a branch-like style on solid steel that is hand finished in a Nickel powdercoat. This pendant offers a peekaboo view of eight customer-supplied medium base, Edison style lamps and is ideal for illuminating dining tables, conference tables, counters and other residential and commercial areas. Handcrafted in the USA, this fixture is available in custom sizes, styles, colors and dimmable energy efficient lamping options such as LED. The pendant is UL and cUL listed for damp and dry locations.
