This custom lighting fixture integrates efficient fan technology. Handpainted Green Pine Tree silhouettes, complemented by metal hardware in Textured Black. 2 Amber Mica diffusers illuminate as gentle breezes are created by a fan spinning in the center of the lower ring. The top tier features 4 lamps for uplighting and 4 interior lights bring out the beauty of Mica while the lower tier includes 8 interior lamps. 8 MR16 lamps deliver downlighting, enhanced with 3 spotlights for accent lighting. In summer, the fan pushes down windchill to keep the space cool & comfortable. In winter, the fan is reversed to pull the room air up towards the ceiling & force warm air back down & circulate to create warmth. UL & cUL listed. Handcrafted in Yorkville, NY.
