Expert craftsmanship comes to light with a stunning classic lantern design that entices. The five exquisite Gascony pendants feature a Beveled Clear Glass lens, revealing three complementary faux candlelights illuminating from within a total of 15 lights throughout the fixture. The lantern is enhanced with a frame and hardware featured in a Solar Black finish. The overall height ranges from 41 to 120 inches, as the chain length can be easily adjusted in the field to accommodate your specific lighting application needs. The classic styled fixture is ideal for illuminating stairways and entryways in residential, hospitality, and commercial settings. The lanterns are suspended from a decorative medallion featuring a Goldtastic finished Starburst design in a circle surrounding the inner cutout for the fixture. The background of this round medallion is featured in Oil Rubbed Bronze. The Gascony 5 Light Cascading Pendant is included in our American-made, American-designed, handcrafted Traditional Lighting Collection. It was manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations. The fixture was created for The Memorymakers at Landmark Hospitality, which owns The Albion Summit in Summit, New Jersey.
