Colorful drama and bold excitement are defined by this energy efficient statement piece for large residential, hospitality and commercial spaces. The massive Havasu Cascading Chandelier stands 20 feet tall and is 5 feet wide. The modern, sophisticated ceiling fixture is designed and engineered with 721 Crystal Idalight rods that illuminate and change color with integral RGB LEDs. Each rod is 19.5 inches long while the hardware is featured in a luxurious Gold Metallic finish. The LEDs project powerful beams of light through the Idalight rods, creating a very unique and eye-catching ambient setting. Compatible with stage or house lighting control systems using DMX512 technology.
