An Amber faux candlelight is crowned with a Natural Parchment shade and perched on a bobèche atop of a telescopic base with a ballpoint and embraced by a round backplate. The hardware is featured in an Oil Rubbed Bronze finish. This sconce is handcrafted by highly skilled artisans in our 180,000 square foot manufacturing facility in Upstate New York. Various sizes and shade styles available. UL and cUL listed for dry and damp locations, however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade.
