A sleek, simple design with a shadowbox effect. Whitman is constructed of Solid Brass for ambient illumination in fine exterior and interior residential, hospitality and commercial environments. The fixture offers a modern update of a traditional lantern with the housing of a single light bulb revealed through the Clear Glass lens. The sconce is complemented with an Old Wrought Iron finish. Handcrafted in our 180,000 square foot manufacturing facility in Yorkville, New York. Diffuser colors, metal finishes and fixture sizes can be customized to your needs. UL and cUL listed for dry, damp and wet locations.
