An elegant wall sconce design emerges with sophistication and distinction. A single Amber faux candlelight, topped with a Cream Eggshell Textrene Trumpet-style shade, is perched on a bobeche, which is embraced by an exquisite scrolled arm finished in Light Burnished Antique Copper. The wall fixture is complemented by Acanthus Leaf accents and a crystal pendant light. The wall sconce is ideal for illuminating corridors and dining spaces in residential and hospitality spaces. The Ingrid Wall Sconce is included in our American-made, American-designed, handmade Traditional Lighting Collection and is manufactured in Yorkville, New York. It is UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shades.
