Offering a handsome western design, Laredo features a Tan Faux Leather shade wrapped with Faux Rawhide accents to complete this stunning look. This impressive wall sconce is designed with a shade that crowns an Ivory-colored faux candlelight perched on a bobèche embraced by a curvaceous arm and hardware featured in an Oil Rubbed Bronze finish. The wall sconce is ideal for an entryway or corridor in a rustic home, a lobby in a lodge, an inn, a commercial space, or anywhere you want to make a dramatic design statement. It is perfect for residential and hospitality spaces from Chandler, Arizona, to Red Rock, Texas, to Rio Rancho, New Mexico. The Laredo Wall Sconce is featured in our American-made, American-designed, handcrafted Western Lighting Collection. It is manufactured in Yorkville, New York. It is UL and cUL listed for dry and damp locations; however, we do not recommend placing it in spaces that experience a large amount of moisture due to the fabric shade.
