A dramatic and decorative illuminating accent for homes, restaurants, retail spaces, and other commercial environments. The Sanderson wall sconce offers a minimalistic design featuring six Clear Glass Edison-style lamps on a stunning Tyler Bronze-finished louver-textured frame. This contemporary piece combines form and function, featuring a minimalist approach with restoration-style form. This wall fixture can be flanked on both sides of a mirror as a vanity light, placed in a hallway or entryway as a wall sconce, or positioned for cove lighting in a soffit. The Sanderson Wall Sconce is included in our American-made, American-designed, handcrafted Industrial Lighting Collection, manufactured in Yorkville, New York. It is UL and cUL listed for dry and damp locations. The fixture is featured in the Belleayre Mountain Ski Center in Highmount, New York, and is operated by ORDA, the Olympic Regional Development Authority based in Lake Placid, New York. Thank you to Quality Lighting Systems of Clifton Park, New York, for the order.
