Cool as ice, this exciting contemporary lighting design is frozen in time for all to see. Six Clear Textured, High-Fired Fused Glass elements are transparent, with Edison-style lamps illuminating for beautiful ambient lighting. The frame and hardware are featured in a Smoke finish. This oblong chandelier is perfect for illuminating billiard tables, bars, counters, islands, and tables in fine residences, restaurants, and hotels from Charlotte, North Carolina, to Columbus, Ohio, to Phoenix, Arizona. The Ice Cube 6 Light Oblong Chandelier is included in our American-made, American-designed, handcrafted Fused Glass Collection and manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations. Each shade is a unique work of art with color variations based on natural ingredients inherent in the glass. The Quality Bent Glass division of Lighting is over 100 years in the making. Today, we are still creating timeless masterpieces using tools and methods from the days when we supplied Tiffany Studios. Fused glass colors and metal finishes are customizable, as each fixture is handcrafted to order.
