Other	**Family::** Personalized **Metal Finish::** Gloss White Flat Black And Stainless Steel

A handsome oblong pendant personalized with the phrase Eat Well & Travel Often that illuminates with Integral LEDs in a stunning Concord Idalight bottom diffuser. The personalized phrase was creatively designed as a mirror image, which is noteworthy because the light shines onto a mirror-like, reflective bar top below the fixture and reads legibly to those enjoying the space. The fixture features a sophisticated White Textrene shade enhanced with a Gloss White metal canopy, Flat Black suspension rods, and a Stainless Steel frame. The Personalized Eat Well & Travel Often Pendant is included in our American-made, American-designed, handcrafted Personalized Lighting Collection and manufactured in Yorkville, New York. The fixture is UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the Textrene fabric shade. This specific fixture can be ordered by calling us and adding your business name and logo for your next project. Please call for pricing and lead time.
