Evoking a uniquely modern, layered look. This handsome lighting design features a large rectangular shaped luminaire in a Flat Black finish with a Statuario Idalight diffuser that projects beautiful ambient illumination with Integral LEDs. Above the larger frame is a more petite, square-shaped frame. The overall height ranges from 24 to 34 inches, as the aircraft cable length can be easily adjusted in the field to accommodate your specific lighting application needs. The Anillo Quadrato Pendant is included in our American-made, American-designed, handmade Modern Lighting Collection. Manufactured in Yorkville, New York.
