Anillo is a massive, modern, sophisticated system featuring extraordinary adjustable elements of ambient light. Eliminating the power cord, our exclusive proprietary suspension system is engineered with low-voltage spacecraft cables for balance, precision, and a clean aesthetic. Five elliptical spectral halos appear to rotate in space and create a stunning visual effect and breathtaking drama. This custom configurable grouping of Textured Black finished solid rings reveals Statuario Idalight diffusers. High-powered, integral LEDs deliver dimmable, robust illumination, energy savings, minimal maintenance, and long life. These eye-catching rings emit a clean glow and enhance the ambiance of the surrounding space as they elevate the fixture's appeal in homes and hotels from Montpelier, Vermont, to Portland, Oregon, to Seattle, Washington. The Anillo Cascading Chandelier is included in our American-made, American-designed, handmade Modern Lighting Collection and manufactured in Yorkville, New York.
