Inspired by Antique Wooden staves bound by wooden or metal hoops in the construction of beer/whisky barrels and wine casks. This chandelier includes 8 GU10 base LED Decorative Flametip Candelabra bulbs that comply with California Title 24 regulations. At the time of this writing, we are the world's only source for this type of energy efficient bulbs today. The chandelier features Coffee Bean finished stout curved arms supporting bobeches accented with 8 Ivory faux candles which line up like soldiers at attention in abeyance of the barrel to which they serve. Overall height ranges from 55-102 inches as chain length can be easily adjusted in the field. Custom crafted in our 180,000 square foot manufacturing facility in Yorkville, NY.
