A magnificent masterpiece of Brass, Copper, and energy-efficient LEDs that speaks to drama, excitement, and celebration of beautiful lighting and design. Spring into action and select this innovative chandelier, which features organically bent Brass Tubing finished in Brushed Brass. Beautiful Verdigris Copper finished socket cups, designed like Trumpet Lily flowers, pair with 108 customer-supplied lamps throughout the fixture. This massive three-tiered chandelier is ideal for illuminating entryways, lobbies, and ballrooms in hotels and other commercial lighting installations. The canopy and decorative banding accents are crafted of Copper. This chandelier matches well with two complementary lighting fixtures: the 42 Wide Coyle 36 Light Semi-Flushmount, model 274854, and the 60 Wide Coyle 72 Light Chandelier, model 274991. The Coyle Chandelier is featured in our American-made, American-designed Coyle Chandelier Collection, which is manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations. The fixture was created for The Memorymakers at Landmark Hospitality, which owns The Albion Summit in Summit, New Jersey.
