13 Ivory faux candlelights line up around the perimeter of two rings of this chandelier, surrounding an Amber Mica arrow shaped diffuser in the center of the lower ring as the overall frame mimics the same arrowhead, tee pee-like motif. The bobeches which embrace the faux candlelights are hand finished in Rusty Nail hue to match the frame and hardware. Handmade at the foothills of the Adirondack Mountains in Upstate NY, this chandelier is available in custom sizes, designs and colors. Dimmable energy efficient lamping such as LED are offered. The 5-foot wide chandelier is UL and cUL listed for dry and damp locations.
