A dramatically styled pendant, Gravity features a dome-shaped shade that is hand finished in Flat Black and strikingly set on the outer surface, amazingly contrasting against an internal Copper metallic finish. The richly appointed interior results in a warm, burnished glow. Overall height ranges from 39 to 108 inches as the cord can be adjusted in the field. The Gravity Pendant is featured in our American-made, American-designed, handcrafted Industrial Lighting Collection. Manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations.
