A dramatically styled pendant. Gravity features a dome-shaped shade that is hand-finished in Matte Black and strikingly set on the outer surface, amazingly contrasting against an internal Gold Metallic finish. The richly appointed interior results in a warm, burnished glow. The overall height ranges from 39 to 114 inches as the chain can be adjusted in the field. The Gravity Pendant is featured in our American-made, American-designed, handcrafted Industrial Lighting Collection and manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations.
