Loxley combines elegance with a distinguished look. Loxley is custom-crafted with 36 Mercury Glass inverted cylindres on a three-tiered chandelier. This grand-scale chandelier features a Black Satin Wrought Iron finish and is ideal for illuminating lobbies, conference rooms, entryways, and other large residential, hospitality, and commercial spaces. The overall height ranges from 67 to 95 inches, as the chain length can be easily adjusted in the field. The Loxley Horizon Ring Chandelier is included in our American-made, American-designed handcrafted Transitional Collection and manufactured in Yorkville, NY. The fixture is UL and cUL listed for dry and damp locations. The Loxley Collection features various chandeliers, pendants, and wall sconces designed with sturdy rings accented with faux candlelights or cylindrical elements. Many of these fixtures make great statement pieces for large spaces and can be customized with your choice of size, finish, and lamping.
