This Winter Solstice fixture breathes life into a pine-branch-style metal design, accentuated by beautiful ambient lighting, as if swaying in the frosty winter wind. Twelve Amber Mica Cylindre Elements become luminescent as they are embraced by a metal frame featuring an Exterior Oil Rubbed Bronze finish. This massive chandelier perfectly complements any entryway or great room in a residential or commercial environment. The overall height ranges from 76 to 113 inches, as the chain can be easily adjusted on location. The Winter Solstice Chandelier is included in our American-made, American-designed, handcrafted Nature-Inspired Collection, manufactured in Yorkville, New York. The fixture is UL- and cUL-listed for dry and damp locations. Upstate New York's adventurous playland, known as the Adirondack Mountains, with its many breathtaking forests, lakes, and rivers, inspires our rustic-themed collections.
