Like the gentle flow of a water fountain with tiny droplets dancing in mid-air, you can almost hear the pitter-patter as it creates soft ripples in the imaginary pool below. Beautiful ambient light evokes from a tapered Silver Mica shade which is complemented with a Statuario Idalight bottom diffuser and Nickel finished hardware. Handcrafted in the USA, this flushmount is available in custom designs, sizes and finishes, as well as dimmable energy efficient lamping options. The fixture is UL and cUL listed for damp and dry locations.
