Inspired by the nearby Adirondack Mountains, the breathtaking Pinecone Chandelier features a cornucopia of Hand-forged metal Pinecones and Pine Needles that appear to grow from this Grand styled tree-like ceiling fixture. The 84-inch tall chandelier illuminates beautifully with 24 faux candlelights perched on bobeches. The decorative accents, frame and Candelabra covers are offered in a warm Chestnut finish. Handcrafted with meticulous attention to detail by highly skilled artisans in Upstate New York, this awe-inspiring fixture is offered in custom sizes, finishes and styles, as well as dimmable energy efficient lamping options such as LED. The elaborate chandelier is UL and cUL listed for dry and damp locations.
