An elegant chandelier design comes to light with all of the sparkle and glamour of a regal castle, conjuring up images of romantic bygone days. Ten faux Ivory colored candlelights perched on bobeches with ballpoint accents are embraced by linear arms that are attached to a rotund frame underscored with ten series of multi scroll motifs, one for each luminaire. The exquisite frame, hardware and hanging chain that support this lovely fixture are featured in a Black finish. Handcrafted by master artisans in our 180,000 square foot manufacturing facility in Yorkville, New York. Custom designs, styles, sizes and dimmable energy efficient lamping options are available. UL and cUL listed for damp and dry locations.
