The bold, eye-catching Cyclone simulates whirling winds of energy and gyration with twisting steel accentuated with 36 delicately placed beacons to help you weather the storm. The winding mass of steel surrounds a sturdy post, all featured in our Cafe Noir on Rust finish. Make an impressive design statement that will wow guests in lobbies, conference rooms, entryways, and other residential and commercial spaces. The fixture is handcrafted by master artisans in our 180,000-square-foot manufacturing facility in Yorkville, New York. Custom designs, styles, sizes, and dimmable energy-efficient lamping, such as LEDs, are available. UL and cUL listed for damp and dry locations and featured in a private residence in Amherst, New Hampshire.
