A dramatically styled pendant. Gravity features a dome-shaped shade that is hand-finished in Braunrot and strikingly set on the outer surface, amazingly contrasting against an internal Perigold finish. The richly appointed interior results in a warm, burnished glow. This massive ceiling pendant is ideal for illuminating entryways and other large spaces in residential, hospitality, and commercial locations. The overall height ranges from 34 to 152 inches, as the aircraft cable can be adjusted on location. The Gravity Pendant is featured in our American-made, American-designed, handcrafted Industrial Lighting Collection and is manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations.
